

Assistance Fund Announcement

Winter 2010

Applicant Information

The NCWHL is pleased to announce that Assistance Fund applications for the Winter 2010 season are now being accepted. The NCWHL Assistance Fund provides financial assistance to players in the NCWHL who have a financial hardship. The award will be 50% of the Winter 2010 league registration fees.

Applicants must have had membership in the NCWHL for at least two of the last four seasons. Coordinators and board members who currently receive any form of league credit are not eligible. Fund recipients are not eligible to apply again for one calendar year from the time they most recently received funding. Fund recipients are not eligible for additional assistance from the Early Bird Registration Drawing during the same season.

Applicants must complete the application form found here:
http://www.ncwhl.com/docs/Assistance_Fund_10W_Application.doc.

The deadline for submitting applications is Sunday, August 22, 11:59 pm. *Any applications received after this deadline will not be considered.* Applications should be submitted to NCWHLassistance@gmail.com with "W10 Assistance Fund Application" in the subject line. *Please return the application as an attachment.* Only electronic submissions will be accepted.

The number of awards granted for the season will be determined by the Board, and will be dependent upon current NCWHL Assistance Fund reserves and the number, if any, of qualified applications received. All decisions are final. The award must be used toward Winter 2010 league fees only, and is non-transferable. Applicants will be notified of their status by August 28, 2010.

All applications and decisions will remain confidential.

Please direct questions to NCWHLassistance@gmail.com.

**If you would like to donate funds or credits toward Assistance Fund reserves,
please contact Carolyn Bierman at carolyn@bierman.com.
Thank you to all who have made donations!**
