The NCWHL is pleased to announce that Assistance Fund applications for the Winter 2011 season are now being accepted. The NCWHL Assistance Fund provides financial assistance to players in the NCWHL who have a financial hardship. The award will be 50% of the Winner 2011 league registration fees.

Applicants must have had membership in the NCWHL for at least two of the last four seasons. Coordinators and board members who currently receive any form of league credit are not eligible. Fund recipients are not eligible to apply again for one calendar year from the time they most recently received funding. Fund recipients are not eligible for additional assistance from the Early Bird Registration Drawing during the same season.
